

# 2011 ONLINE

## SUPPORTING ONGOING EDUCATION

**Second chance to  
attend the Wounds  
International  
Conference in Cape  
Town, South Africa**

**Unique opportunity to  
participate in a global event:**

- clinical presentations
- made easy workshops
- virtual exhibition
- free resources

**Date of launch  
13 April 2011**

## VIRTUAL CONFERENCE

Wounds International encourages wide access to free education. In recognition of this, content from its first global conference will be available online. This will include a virtual exhibition, filmed sessions and downloadable resources with the aim of supporting the continuing educational needs of wound care clinicians worldwide.
